Membership Application

Helping you
to get
more
from your
System

In today's rapidly changing market, it is more important than ever to get the best out of your computer system. Owning an Open GI system entitles you to join the **Open User Group** - the largest and most successful organisation of its kind in the industry.

Why Join?

- **Regular meetings in your local area**
Topical issues and the opportunity to meet with fellow users to exchange expertise and ideas.
- **Representation at Open GI Board level**
We have a National Executive Committee which is listened to. We also hold regular meetings with Open GI software developers and many of the enhancements you currently use are as a direct result of these forums.
- **Reduced priced training from Open GI**
- **Training Videos available at competitive prices**
- **"Forum Magazine"**
Regular copies of our own magazine to keep you abreast of issues which particularly affect you and your business.
- **ESCROW Protection**
The ultimate protection - the **Open User Group** become custodians of the software should the deed be invoked in the event of Open GI failing.

What Does It Cost To Join?

Membership of the **Open User Group** is **FREE** until the end of December of the year you purchase your system.

A subscription is due at the end of December and annually thereafter.

To join simply complete and return this application form to:

Room 20
Gresham Chambers
14 Lichfield Street
Wolverhampton
WV1 1DG
